

To President of the ENEA, Professor Thierry Brue

Dear colleagues,

Herewith I apply for being a member in the Executive Committee of ENEA. I am Professor Zamira Khalimova from Republic of Uzbekistan.

I have been working from 1995 at the Endocrinology Center in Tashkent. This Center is alone in Middle Asia. At the same time, a laboratory and a department of neuroendocrinology were organized in our Endocrinology Center under the leadership of then Acad. E.Kh. Turakulov. Over the past 25 years, I am growing from a senior research fellow to deputy director of the Endocrinology Center for Research. Under my leadership, a large team (more than 20) of neuroendocrinologists in the clinic works, 4 more branches of our center in the regions of the country and departments of neuroendocrinology open.

Let me introduce you to her short CV.

Thank you very much!

Best regards,

Sincerely yours,
